## **Mental Health and Addiction Services**

- LifeSpring Health Systems, 460 Spring St., Jeffersonville, is taking new patients across our services — primary care, mental health, and substance abuse. We are now offering teletherapy and telemedicine to reduce the need to come in. New patients can fill out intake paperwork on the website [www.lifespringhealthsystems.org](http://www.lifespringhealthsystems.org) or give us a call at 812-280-2080.
- Services are provided regardless of the ability to pay, and accept Medicaid, Medicare, and primary insurance. Staff members can also assist with obtaining insurance. LifeSpring Systems serve 11 counties across Southern Indiana and have offices in each county — Clark, Floyd, Harrison, Jefferson, Scott, Washington, Crawford, Orange, Dubois, Perry, and Spencer. Primary care offices serving all ages, are located in Jeffersonville, Austin and Salem.

## **OB medical care during pregnancy**

- FQHCs are a federally-designated, specific type of healthcare provider location which offer sliding scale fees for patients who are low-income. There are several FQHCs throughout Indiana. A woman can find the one nearest her by using this tool from the US Health Resources & Services Administration: <https://findahealthcenter.hrsa.gov>
